## **Copyright basics for PDF documents**

Copyright law protects original works, including text, images, and designs found in PDF documents. When creating or distributing Power Against Marine Spirits, it is important to understand who owns

the rights and how the content may be used. Copyright applies automatically upon creation, even if no explicit notice is included.

Using copyrighted material without permission may result in legal consequences. This includes copying, redistributing, or modifying content beyond permitted use. Understanding copyright boundaries helps prevent unintentional violations.

### **Licensing and permitted use**

Licenses define how content may be used, shared, or modified. Some PDFs are distributed under specific licenses that allow reuse with conditions, such as attribution or non-commercial use. Reviewing license terms associated with Power Against Marine Spirits ensures compliance with usage rights.
