The story begins with the Jade Emperor deciding to create a calendar to measure time and to assign characteristics to each year. To determine the order of the animals, he declared a race across a river (or in some versions, a great expanse or pathway), inviting all creatures to participate. The first twelve animals to cross would earn a place in the zodiac cycle.

## The Legend of the Great Race

The most popular and enduring version of the story is the tale of the great race, a vivid narrative filled with heroism, cunning, and symbolism.

When applied correctly, security settings help maintain the integrity of The Great Race The Story Of The Chinese Zodiac while still allowing legitimate use.
