- Economic Differences: The industrialized North favored tariffs and a centralized economy, while the agrarian South relied on free trade and slave labor.
- Election of Abraham Lincoln: Lincoln's election in 1860, on a platform opposing the spread of slavery, prompted Southern states to secede, fearing the abolition of slavery and loss of political power.
- Secession and Formation of the Confederacy: Starting with South Carolina in December 1860, eleven Southern states seceded and formed the Confederate States of America, setting the stage for war.
