Definition and Characteristics

Hoodsites are online platforms that typically host user-generated content related to street culture, urban

lifestyles, or controversial topics. They often feature videos, images, and discussions centered around real-life events, often involving violence, crime, or sensational incidents. These sites are characterized by their raw, unfiltered content, which appeals to audiences seeking authentic, unpolished portrayals of urban life.

Popular Examples of Hoodsites

Some of the well-known hoodsites include:
