This makes digital access a more efficient option for widespread knowledge sharing.

Another subtle but important benefit of digital access is organization. Files can be categorized, backed up, and retrieved instantly. Readers can build structured digital libraries that grow over time without clutter. Compared to managing physical books, digital organization reduces friction and helps learners focus on content rather than logistics.

Digital access also fosters global connectivity. Downloading Bhagavad Gita By Eknath Easwaran allows people from different countries, cultures, and backgrounds to engage with the same ideas.
