Elves, also known as the Firstborn, are among the earliest sentient beings to awaken in Middle-earth. According to Tolkien's legendarium, they awoke at Cuiviénen, in the eastern part of Middle-earth, thousands of years before the rise of Men. Their creation predates many other races, and their longevity and innate connection to the natural world make them uniquely ancient and wise. Elves are immortal, meaning they do not die of age or disease, only through injury or sorrow. This immortality imbues them with a perspective that often surpasses that of mortal races, giving them a sense of timelessness and deep cultural traditions.
