Magic System Evolution

Allomancy and Feruchemy in a New Light

One of the most compelling aspects of Sanderson's work is his innovative magic systems. In *The Alloy of Law*, Allomancy and Feruchemy are still central, but their applications and limitations evolve to suit the new era. - Allomancy: Users ingest metals to access various powers such as strength, speed, and emotional influence. In the new setting, Allomancy is more integrated into society, with coinshots and pewterarmers playing vital roles in law enforcement and industry. - Feruchemy: The ability to store attributes like health, strength, or age in metals becomes more nuanced, especially as technological advancements create new ways to harness these powers.
