Understanding what can and cannot be shared helps prevent legal issues and ensures ethical use of digital materials.

In general, only free, open-access, or public domain versions of *Fences* By August Wilson may be shared freely. Public domain works are no longer protected by copyright and can be distributed without restrictions. Many classic texts, government publications, and educational resources fall into this category. For copyrighted or paid editions of *Fences* By August Wilson, direct file sharing is usually prohibited. Instead of sending copies, it is best to share official purchase links, publisher pages, or authorized platforms where others can obtain the book legally. Many eBook platforms provide built-in sharing features that allow limited access, previews, or recommendations without violating copyright. Some services even support temporary lending or family sharing within defined rules. Always review the platform's terms of use before sharing any content related to *Fences* By August Wilson.

### **Ethical considerations when sharing**
