Understanding the K to 12 Curriculum Framework

Origins and Rationale

The K to 12 curriculum in the Philippines was institutionalized through Republic Act No. 10533, also known as the Enhanced Basic Education Act of 2013. Its core objectives are to: - Align Filipino basic education with international standards - Improve the quality of education and student preparedness for higher education, employment, or entrepreneurship - Provide a more holistic learning experience through a spiral curriculum approach The move from a ten-year basic education cycle to a twelve-year system was driven by the need to catch up with global counterparts, many of whom offer at least 12 years of basic education, including pre-university levels.

Curriculum Structure Overview

The K to 12 curriculum divides the twelve-year cycle into: - Kindergarten (1 year) - Junior High School (Grades 7-10) - Senior High School (Grades 11-12) Each level is designed with specific learning competencies, standards, and content standards aligned with national development goals and global competitiveness.

All Subjects in the K to 12 Curriculum: An Overview
