Gameplay Mechanics and Features

Interactive Decision-Making System

At its core, the game employs a branching decision tree, where each choice influences the narrative trajectory and the girl's subsequent behavior. Players are presented with multiple options during interactions, such as: - Verbal reprimands - Time-outs - Physical discipline (if available within the game's context) - Offering rewards or positive reinforcement - Engaging in dialogue to understand underlying issues The choices made here are crucial, as they determine the girl's emotional state, her trust in the player, and her willingness to learn from the experience.

Disciplinary Methods and Their Impacts
